

# Connect Hospital Patients with Entertainment & Information

**PDi** creates hassle-free TV systems to help you deliver a meaningful patient experience with medTV®.

We design, manufacture, install and service only UL-Listed, healthcare-grade TVs designed for infection control and patient safety

Healthcare-grade TVs are designed for 3X use & more

## Choose Adaptable Personal TV Solutions For Any Healthcare Space

Reduce noise and improve satisfaction with 16" or 19" personal arm-mounted TV and TV-tablet systems by PDi, built in Ohio for quick delivery.

Ask about guaranteed installation and head-end services.

A 16" personal TV display delivers a 90" wall TV experience

## Bring Big Comfort Into Private Patient Rooms or Common Areas

Choose medTV® Smart TVs by PDi, 24" thru 55", with pillow-speaker controlled TV, games and relaxation apps or ask about Epic MyChart Bedside app integration and more.

At **PDi**, we do what is right. We put our customers' and their patients' needs first. We design solutions with patient satisfaction and patient engagement in mind.

**40**  
YEARS OF CARE

For 40 years, **PDi** has been a leader in serving healthcare providers with products to fit the demanding and evolving needs of healthcare environments.

*Every step of the way, we are problem-solvers.*

**How can we help you satisfy patients at your facility?**
