**PDI-722HE-COLOR**

## Secure Mounts for Hospitals, Dialysis, Clinics, Senior Living & More

"...severe headaches made it difficult for my father to wear his glasses, but the TV swing arm allowed him to pull the television close and alleviate his boredom between visits from family and friends."

- Rich C.

PDi's innovative designs allow devices to mount to headwalls, counters, ceilings, floors, chairs and more.

Ohio-based PDi Communication Systems, Inc. designs, manufactures and builds more complete arm-mounted bedside entertainment systems than anyone in the industry.

- Easy to modify the TV experience with content that matters most to your patient populations
- Deliver meaningful patient education to each department
- Compatible with Epic MyChart Bedside TV

## KEY FEATURES

NEW Web-based remote content management using GENIO™

Built by PDI for UL healthcare-grade, low-voltage standards.

Continuous, low-voltage power over Coax or Power over Ethernet.

Fully integrated all-in-one touchscreen tablet plus TV, built for healthcare.

Standard cabinet color is Starlight Gray. Ask about Cream.

Compatible with PDI arms or available as rear VESA 75x75mm rear-mount for mounting in any situation.

RF-HEMiS head-end TV server by PDI or easy USB cloning makes TV set-up and updates quick and simple.

Designed, programmed and assembled in the U.S.A.

Trust PDI to design, inspect, install, warranty, and repair patient TV systems.
