K-SERIES
Non-smart Hospital TVs

UL-Listed Pro:Idiom® LED HDTVs

PDi 43″ 32″ 24″

Deliver Modest Yet Enjoyable Patient Entertainment

Since 1980, Ohio-based PDi has delivered premium reliability in patient-room TV technology. Choose PDi K-Series for reliable, cost-effective RF patient entertainment—without the complexity of smart TVs. The affordable K-Series hospital TVs combine Pro:Idiom® and Universal Pillow Speaker Recognition to give patients a pleasant TV experience.

COST-EFFECTIVE BY DESIGN
Having a lower upfront cost than smart displays means the K-Series allows you to install more TVs across patient rooms without exceeding equipment budgets

NON-SMART AND FULLY OFFLINE MEANS ZERO CYBER RISK
No cybersecurity vulnerabilities to worry about since no network access.

UL-LISTED HOSPITAL-GRADE & PILLOW SPEAKER COMPATIBLE
Designed to meet UL safety standards specifically for use in healthcare environments. Also includes a built-in universal pillow speaker port, allowing patients to control TV audio and video functions directly from their bedside.

c UL us LISTED

EASY USB CLONING
USB data cloning streamlines the setup of multiple displays. Instead of configuring each display individually, settings from one display can be copied to a USB device and transferred to additional displays using a simple USB connection.
