

# Healthcare TV Mounts

# TV Brackets & Mounting Solutions

## For Patient Entertainment & Information Displays

From large-screen wall TV display brackets and mounts, to personal arm-mounted systems and mobile TV carts, PDi has focused on complete healthcare solutions & services for patient entertainment and information since 1980.

With a variety of proven engineered products, designed and manufactured in the USA, having antimicrobial coatings, to meeting HCAi seismic design requirements, (formally OSHPD) to the design and supply of flat panel mounts and mobile carts, you can trust that PDi is dedicated to being your one-stop-shop for the right system that works in your unique healthcare spaces.

# TV Enclosures

## For Ligature Resistance

### Enhance Patient Safety

PDi is proud to partner with TVArmor® (Jackson, NJ) for their patented TV Armor Enclosure. Designed to be mounted around a previously mounted TV, these enclosures prevent selfharm and provide peace of mind.

### Features

- Rounded Corners
- Anti-Ligature Sloped Top for Behavioral Health Applications
- Optical-grade Acrylic Front or Polycarbonate Front Panel, 200x stronger than Glass
- Black Anodized Aluminum Frame with Black Matte ABS Panels, matches Monitor
- Two 5V Cooling Fans (Input 120V/15A and Output 5DC/1 A), LED Fan Status Indicator, and Fused Fan Controller Standard
- Internal Mounting Feet
- Recessed Hardware
- No Keys Required

### Optional

- Lockable Access Door
- Pin-in-Torx Security Screws
- Media ports, USB, HDMI, 3.5mm Audio

## Customizable to Your Needs

For More Info Call PDi Pro Services  
800.829.9870 Ext. 3486

NOTE-TV Armor Enclosure Cleaning: Do NOT use window cleaning products that contain ammonia or alcohol. Do NOT use any paper products to clean the screen as it will scratch the plastic. Recommend Brillianize plastic cleaner or use clean, lukewarm water and a microfiber cloth.
